Uniform and personal appearance classes will be provided and students will need to learn placement of uniform accessories. Assignments will be placed in Google Classrooms and the primary means of instructions will be conducted using google meet.

Uniform: The uniform worn by the cadets is the same as the one worn by the US Army. Because of this, both US Army and US Army Veterans in the community expect to see the uniform worn properly and the cadets to present a neat, well-groomed appearance

while in the uniform. Male cadets must have their hair neatly cut and are not allowed to have names or designs cut in their hair. Hair must be tapered and thinned on the sides and rear. Neither males nor females should have hair that extends below the top of the uniform shirt collar. Female cadets may pull their hair up and pin it so it does not fall over the shirt collar. Male cadets are not allowed to wear earrings while in uniform. Female cadets are allowed only one set of earrings and can not wear any other visible piercing while in uniform. Cadets not willing to conform to JROTC standards as outlined above and by Cadet Command Regulation 145-2 will be dismissed from the JROTC program.

Needed Supplies: Chromebook

Grade Notification (via on-line posting, Interims, Report Cards): Grades will be updated weekly. If an assignment was not submitted, a zero will be placed in the gradebook as an alert or until the assignment is made up or the make-up time has expired.

Grading Procedures (Students can earn 1000 total points for each 9 weeks):

JROTC grades for each 9 weeks will total to 1000 points. All assignments are not graded for inclusion into the total points, some assignments or pre-requirement and serve as preparation for a graded assignment. If a student does not complete pre-requirements, they are not eligible to take the graded assignment.
